

John 21 Notes

“Of making many books there is no end” Ecc. 12:12

I have made the same negative statement many times especially in this age and time, but Michael Card states, “In the light of the coming of Jesus, nothing would be better than to fill the world with books about him.”

Things that stood out to me

Verse 7 Peter’s love for the Lord even after his denial is a true picture loving the Lord with all your heart and acknowledging Him.

Verse 8 Jesus feeding of the disciples literally and figuratively even after his death and resurrection. Our servant Lord

How many of us really look at our lives through the glasses of, “Like Jesus, their lives had become parables, they are infused with meaning. “ Our Father still works in miraculous mysterious ways, showing himself to others through types and examples in our lives also. Our lives are truly “infused with His meaning”.

Verse 25 I am so happy that Jesus did “so many other things”.

It did seem in chapter 20 that John had concluded his gospel and that verse 21 was “added on”. In any case as Card points out the source seems to be John himself. It at the end again affirms that John is the author and that Jesus did so many things it could not be contained in books. Hallelujah!!!!
